June is Ride Transit Month, and there's no better time to explore smarter, more sustainable, and cost-effective ways to commute!

Whether you're a long-time bus rider, light rail enthusiast, or thinking about trying transit for the first time, now's your chance to get involved and make a positive impact on your community and environment.

As a WSDOT employee, you can:

- Receive cash incentives by tracking your work commute transit trips on [RideshareOnline.com](https://www.rideshareonline.com).
- Ride Intercity Transit, Mason County Transit, and Gray's Harbor Transit for free.
- Qualify for the fare-free commute trip reduction ORCA incentive if your workstation is in Kitsap County or your home address is in King, Snohomish, Kitsap, or Pierce counties.
- Receive the free state employee ORCA program benefit if your workstation is in King, Pierce, or Snohomish counties.
- Get the Spokane Transit Authority's Right to Ride Pass for free if your home address or workstation is in Spokane County.

Are you interested in all the benefits and alternatives to driving to work alone? Check out our [Your Commute webpage](#) for information on how to join in. Transit agencies across the state will also be participating, so be sure to check out what celebrations your local transit agency has planned and show your support.

Join the celebration and ride transit!
